*9<sup>th</sup> meeting of Public Private Partnership Policy and Monitoring (PPP P&M) Board* was held on 08.12.2021 under Chairmanship of the Chief Minister, Punjab. The forum, in principal, approved the technical and financial bid of the project titled, “Procurement, Installation and O&M of Water Meters in Lahore on PPP” subject to the condition that PPP Authority would submit documentation to the effect that it had duly vetted the bid. The instant project is one of its kind, having multi-dimension benefits that the project will improve collection levels, reduce illegal connections and water theft, conserve water, minimize water pumping cost, control leakages and save electricity cost, which will be beneficial for the direct consumers.
